

CHAIRMAN'S REPORT

As I write in late May I am looking from my office window onto the new Pool Green in the sunshine.

One day (soon I hope!) Cornwall Council may get their act together and recognize ownership and come and cut the grass before we lose somebody out there!! A very well thought out scheme that compliments Heartlands so well.

The cold north wind is sharp and very refreshing – so unlike late spring. It seems long ago; but it was only the last week in March 2013 that I was on holiday enjoying a long walk in the baking sun with “er indoors” across the western slopes of Dartmoor half-naked – I daren’t take my shirt off for fear of sunburn! – How our weather changes – I can’t keep up with it.!

Here at Carn Brea Parish Council things are a little more prosaic, and life goes on much as before as we councillors start another 4 year term. Much may be said of previous efforts here, in particular of our esteemed past Chairman, Malcolm Moyle having stood down to take up cudgels where he has been elected at Cornwall Council. Malcolm’s efforts on behalf of this council and the people of Carn Brea

Parish are almost legendary and we thank him warmly and wish him well at Cornwall Council and continuing to chair Heartlands Trust.

The Regeneration Committee has, as always, been doing “good things” under the watchful eye of their chairman Cllr Diana Cousins and we must also be grateful for her efforts with this fine newsletter!

Although Planning applications have reduced this spring, many are in the “pipeline” and I hope we can carry on keeping a sensible balance between developments and the environment.

Thanks also to our neighbourhood policing team including our ever friendly and helpful PCSO’s. I think they make quite a difference to living conditions in the parish.

Do you know a local resident approaching their centenary, who would appreciate a visit and floral presentation from our Chairman and his Consort.

Please have a friendly chat with the Clerk.

And finally for their positive efforts, thanks to council employees Mrs Sue Bishop (clerk to the Council),

Mrs Mel Williams (admin assistant) and the 3 handymen and caretaker.

And remember..... don’t forget our garden competition coming up in mid-July and Carn Brea Village fete on June 22nd.

Take care one and all

BUS SHELTERS

Many of you will have read in our last newsletter about the vandalism to some of our bus shelters. Carn Brea Parish Council has a small amount of money each year to provide and improve much needed facilities for the community. Recently after repeated requests we have been doing our best to erect bus shelters where possible. These cost in excess of £3000 each and it is very discouraging to see them being vandalized. Therefore we are asking you all to please report any incidents you see to either the police or your councillor. These are for your benefit so please help us look after them.

SECRET DEALERS

Hello There

My name is Sam Williams and I'm an assistant producer working on ITV1's Secret Dealers and we are looking for people in your area to take part in our hit TV show!

We are currently filming the fourth series and we would love to hear from people with wonderful antiques who would be interested in finding out more about the series. Please see below for more information;

Secret Dealers sees three rival antique dealers doing battle in private homes for items they can sell. The competing dealers tour the house inspecting everything of value. The owners are then faced with a bonanza of surprise valuations and cash offers on some of their most prized (or not so prized) possessions. They can

HOMEBASE POOL

Carn Brea Parish Council would like to say a big "Well Done" to Homebase Pool for getting their address correct. Unlike Tesco Extra who still think they are in Redruth and Pets at Home who think they are in Camborne.

New Dog Bin for Pool Green

In answer to public requests we now have a dog bin on our new village green at Pool. However it is on a Use it or Lose it basis so please do.

There are several dog bins around Carn Brea Parish which get filled up very quickly. If you see one that is full it would help us and your area if you could call the Refuse and Recycling Dept on 0300 1234 141. Please get a log number and pass this on to your Parish Councillor or the Clerk at Treloweth Community Hall on 01209 313014. It can then be followed up if necessary.

QUEEN ELIZABETH 11 FIELD

Cllr Malcolm Moyle in his role as Chairman of Carn Brea Parish Council has signed a deed to dedicate Moorfield Road Open Space as a public open space and recreation ground in celebration of the Diamond Jubilee of Her Majesty Queen Elizabeth 11. A commemorative plaque has been erected

MERLIN MS CENTRE NEEDS YOUR HELP

You may have heard in the local media in the past few weeks that our centre – the only one of its kind in Cornwall- is struggling with a cash crisis due to the increased demand on our services.

As a charity, we heavily subsidise or provide therapies free of charge for our MS clients, so every year we need to raise more money to meet the needs of our growing client base. With more than 1000 people in the county diagnosed with MS – the highest in mainland Britain - we know there is a desperate need for our services.

The appeal is really simple but will make a huge difference to the future of the centre and those who rely on it.
