

# CHAIRMAN'S REPORT

Is Spring on the way? I do hope so with the evenings getting lighter and the weather getting better and warmer we will be in our gardens and vegetable plots. I do hope more of you will enter our Gardens competition this year the entries are increasing each year and the entry forms are in the newsletter for you.

On the 20th April HEARTLANDS will be opening its doors for the first time to local residents. In this newsletter is the programme of events over the first 3days, it will be

a spectacular 3days for local people, remember it is "FREE TO ENTER"

On the 18th & 19th May Carn Brea Leisure Centre and Heartlands will be holding a Flame Festival please see the information in the newsletter, again it's a free event for local residents.

On a different note the dumping of rubbish is a large problem in the parish so if you see an area which needs rubbish removed please let us know.

I have mentioned before about the changing landscape of Pool, we must continue with our resolve to make the A3047 more pedestrian friendly. We believe the first step is to have a light controlled crossing in the centre of Pool, Heartlands has given the funds to do this now we await Cornwall Council to give the go ahead to get it installed.

## CORNWALL COUNCILLOR REPORT

Although I am very disappointed with the decision to bypass the most largely populated areas of Cornwall in Camborne, Pool, Illogan and Redruth in the route of the Olympic torch, I am delighted to see that nonetheless Pool will be holding a large celebration of the commencement of the games, delivered in partnership between Carn Brea Leisure Centre and Heartlands.

Heartlands will shortly open and offer a fantastic display of our heritage and recreational facilities for local children and families. Skol Veythrin Karenza are also celebrating their second anniversary, offering a Saturday school held at Kerensa building, Cornwall College, where young children can learn Kernewek (Cornish) in a safe and fun environment, whilst their parents can learn Kernewek in a more formal setting so that they may use the language more widely throughout the week and share and enjoy the learning of Kernewek with their children.

The Pool Innovation Centre has been a great success, having exceeded all expectations in achieving in excess of 60% occupancy within 12 months of opening. They recently hosted an IT Futures Day for 75 students aged between 13-14 who were all keen to pursue a future career in the IT sector. With the rollout of Fibre Optic Broadband, Cornwall is host to a fantastic opportunity for new and expanding IT businesses offering skilled employment in the digital sector.

My Councillor Highways maintenance budget will support road improvements at Penhallick (Pool), Crofty Close (Pool), Trevarren Avenue and Penventon terrace (Fourlanes) and at Treskillard

## Heartlands Opening Weekend

Heartlands is preparing to open! After months of planning, designing, restoration, building and decorating, we are delighted to at last be able to launch to the world - and we'd like the whole community to be involved in our celebrations!

Join us for a three-day party to celebrate the opening of Heartlands, the new 19 acre FREE visitor attraction and World Heritage Site.

Come along on **Friday 20th April** to join the Hearty Party Parade and

*Engine House from Gardens*

official opening ceremony. Meet in the Heartlands car park off Dudnance Lane at 10.30am. The only ticket you need is a heart - in any variety you want!

Once the ceremony finishes, the music will start and the party begins! Prepare to be captivated by a mix of magic, myth and mayhem themed activities including music, dance, theatre, acrobatics and spectacle throughout Heartlands for the rest of the day and weekend!

*Totem Circle*

Be enchanted by the fairies and piskies in the botanical gardens, dance around the Totem Circle to some of the best music in the South West, discover the underground secrets of Heartlands with atmospheric storytelling in the Engine House, skateboard and BMX with our urban legends or simply sit back and watch the magic (and mayhem!) unfold with a cream tea in our Red River Café. Friday evening (only) will end with a fireworks and fire show finale!

So, **SAVE THE DATE** in that diary and come and join in the fun.

Please note: if you or your family, school, organisation or community group would like to be involved in the Grand Parade, or you are a performer and would like to be involved in the Magic, Myth and Mayhem extravaganza, please contact Kirsty Davies - [kirsty.davies@heartlandscornwall.com](mailto:kirsty.davies@heartlandscornwall.com) / 01209 722323.

## 18-19 May 2012 Cornwall Welcomes the Flame Festival

The dispersion of the Cornish people following the closure of the mines shaped cultures over the world. As the Olympic torch arrives in Cornwall, join Heartlands as it brings these cultures and customs back home to Cornwall for a carnival with an exciting fusion of global dance, music, theatre, workshops, food and fun! As Heartlands celebrates culture, nearby Carn Brea Leisure Centre will embrace the sporting element with a day of activities

including an exciting It's a Knockout competition (19 May only).

10-5pm Admission FREE\*

\*Workshops and activities may include a nominal fee, please check [www.heartlandscornwall.com](http://www.heartlandscornwall.com) for details nearer the time, or pick up a Heartlands Daily Events Sheet on the day.

## Sun 10 June Worldwide Knit in Public Day

World Wide Knit in Public Day was started in 2005. It began as a way for knitters to come together and enjoy each other's company as knitting is often such a solitary act. This year, this international event is coming to Heartlands! So get out of the house (with your knitting in tow) and come to Heartlands to meet other knitting enthusiasts and for those who don't knit? Come along too and be

*Adventure Playground*

inspired by our experts' work and learn how you can get handy with a knitting needle.

Activities include a craft fair, knitting, felting, lacing, children and adult workshops, and much more!

11 - 4.30pm Admission FREE\*
