- Camborne, Pool, Illogan and Redruth Community Network Panel TRO Year 3
- New Footway and Waiting Restrictions – Chariot Road, Illogan Highway
- Cornwall Council Hackney Carriage (Taxi) / Private Hire Vehicle, Operator and Driver Licensing Statement of Practices, Procedures and Policy
- Peninsula Transport visions and goals for the Southwest transport network
- Leisure Centre Consultation
- Review of Licensed Vehicles

## Pool Vision Community Consultation

Recently you will have received through your letterbox a leaflet about the 'Pool Vision', asking for your views on the proposals to address the development of the Pool area.

Issues such as 'Should Pool become a Town (like Redruth and Camborne)?'

If so, what should it be called? Where is the town centre, or where could it be?

The Vision plan set out possible developments on land between Station Road and Dudnance Lane, including (potentially) a replacement hospital for Redruth/Camborne Hospital at Barncoose.

The period of Public Consultation has now ended. You can view the resulting report at <https://letstalk.cornwall.gov.uk/poolvision> . Based on the feedback provide from the consultation, an updated final version of the Pool Vision document will be published on Cornwall Council's website. This version should appear during February and following sign-off from stakeholders.

## Planning Committee

Over the period January 2021 to December 2021 the Planning Committee has considered a total of 76 applications in its role as a statutory consultee on behalf of the parish. The committee supported 51 applications and objected to 20 applications.

The committee raised concerns on 2 applications, had no further comments for 1 application and 2 applications were not in Carn Brea Parish.

## Neighbourhood Plan 2021-2022

A further challenging year for the group has been because of restrictions of COVID.

With face-to-face meetings stopped as well as face to face consultations.

However, 2022 has started well for the group with a new Chairman and a new enthusiastic member.

Carn Brea Development Boundary Assessment has been completed.

There were two areas identified which could be considered for development and therefore Development Boundaries. The two areas were Four Lanes and West Tolgus.

The drafts of these boundaries were consulted with their local communities.

The group is now working on: -

- Infrastructure and Community Facilities
- Accessible and Connectivity (Transport)

And soon we will study: -

- Economy and Employment
- Green Infrastructure, Biodiversity and Geo Diversity
- The Local Housing Market

## Memorial Bench

Carn Brea Parish Council are delighted to have finally been able to install the Tanya Dovey memorial garden bench in the communal garden in Appin Gardens, Balkin Way. The bench is in memory of Tanya Dovey, a resident of Appin Gardens, who passed away prior to the onset of Covid 19, and who spent her final years maintaining and improving the communal garden. Her energy and enthusiasm were her hallmarks, and her love of flowers and shrubs was captivating. The installation of the bench had been delayed through the impact of Covid, but it is now in place in the garden where Tanya loved to spend her time. Our thanks go to Guinness Homes for allowing us to place the bench in the garden.

## Moorfield Road Open Space

We have been improving the entrances to Moorfield Road Open Space as requested by our residents. We hope that this improves accessibility to the open space.

# Police Liaison Report 2021-2022

## Police Liaison Report

Inspector Sophie Curtis has recently been confirmed as the Sector Inspector for the Camborne / Redruth area. She has been fulfilling the role for some time and has engaged with the Parish Council through the CPIR (Camborne, Pool, Illogan, Redruth and Mining Villages Community Network).

The Policing priorities for the area include Violence against Women and Children, Disrupting County Lines Drug Networks, Speeding Vehicles and Anti-Social Behaviour. These are in addition to the “normal” policing activities of the area. Much of the Parish is covered by the Redruth and Illogan Local Policing team led by Sgt Andrew Charman. The Parish Council reports monthly on the crime rates for the area, these are available for you to view at [www.police.uk](http://www.police.uk).

Please continue to report incidents to the Police. Don't assume someone else will do it, or think it won't get looked at, every report is important. Urgent and life threatening reports should be made via 999 / 112, less urgent reports can be made via 101 or online at [www.police.uk/pu/contact-the-police/report-a-crime-incident](http://www.police.uk/pu/contact-the-police/report-a-crime-incident)

The Parish Council will continue to work with the Police and other statutory bodies to improve the parish. We are currently engaged with National Highways, The Police and our MP to improve safety on the A30 overbridge at Broad Lane following a number of recent incidents.

## Crime Levels

Over the 12 months to Feb 22, we have seen an overall reduction in the total number of reported crimes, as seen in the graph below. The table shows the broad level breakdown of the reported incidents.

## Commemorative Tree

The Coronation of HM Queen Elizabeth II took place on 2<sup>nd</sup> June 1953 and on 2<sup>nd</sup> June this year Her Majesty will have been Queen for 70 years and will celebrate her Platinum Jubilee.

To mark the occasion the Council has planted a Commemorative Tree in the Treloweth Open Space next to our offices. The tree is an Oak sapling grown from an acorn from The Darley Oak which still grows near Darley Ford, near Linkinhorne on the edge of Bodmin Moor. The Darley Oak is believed to be at least 1000 years old and is the oldest tree in Cornwall. Much folklore is attributed to the tree, including special healing powers and the belief that wishes made to the tree will eventually come true.

The tree will be officially 'unveiled' at our Big Lunch Celebration on 5<sup>th</sup> June.

Please come along and make a wish, you never know!
