Carn Brea Parish Council's annual Remembrance Service was held at Treloweth Community Hall War Memorial on Sunday, 2nd November at 11.00 a.m. The Chairman of the Parish Council, Cllr. Mrs. Terri Bishop welcomed everyone with a short reading. Officiating was Roy Barratt, County Chairman of the Royal British Legion and the service was conducted by Fr. Peter Fellows. Posies were laid by the 1st Pool Guides, 1st Pool Brownies and 1st Pool Rainbows.

Carol Concert

The Council held its third Carol Concert on Monday, 8^{th} December at 6.00 p.m. at Treloweth Community Hall. Due to the inclement weather the carols were sung in the hall and accompanied by the award winning Camborne Youth Band. The evening was well attended and made an enjoyable start to the Christmas festivities.

Coffee Mornings

Themed coffee mornings have been organized throughout the year to allow local residents to meet Councillors and discuss any concerns. The first coffee morning allowed residents to view old photographs of the area, the second included a fascinating talk from Kingsley Rickard on King Edward Mine and the coffee morning in November incorporated a craft fayre. All events were well attended and gave residents the opportunity to chat to Councillors whilst enjoying homemade cakes and coffee.

Notice Board

The Council has installed a notice board in the village of Tregajorran at the request of local residents. It is hoped that an additional notice board will be installed in the next few weeks, in Brea, as a joint project with Camborne Town Council. The notice board will enable the Council to disseminate information to the wider community.

Parish Newsletter/Website

During the past year the Council has striven to improve the dissemination of information to the electorate and the Parish Newsletter has become a permanent quarterly publication. The Parish Website was launched in March 2007 giving Parishioners the opportunity to view information about the Council electronically.

Parish Plan

The Parish plan has now been completed with the aid of local residents view taken from questionnaires and events held throughout the Parish. If you require a copy please contact the office.

Government Legislation & Consultation Documents

The Council has seen a plethora of changes in Government Legislation again this year The number of documents being received by the Parish Council has multiplied and will continue to increase with the cessation of the District Council. The white paper, Communities in Control: Real Power, Real People is about passing power into the hands of local communities and sets out a range of policies to achieve this, building on work still in progress from the 2006 white paper, Strong and Prosperous Communities. Consultation documents received have included the Boundary Commission proposals, Cornwall County Council Consultation on Path Priorities in the new Public Paths Strategy, a review of the Regional Spatial Strategy, Cornwall Waste Development Framework and Cornwall and West Devon Mining Landscape World Heritage and the Heartlands project. A more comprehensive list can be found in the Council's Best Value Report. The forthcoming year will bring new and exciting challenges for the Parish Council with the inception of the new unitary authority and continuing consultations on potential changes under the Communities in Control white paper.

Best Value

In 1999 the Local Government Act laid out a requirement for all councils with an income over £500,000 to fulfill the duty of Best Value. These duties include the annual publication of a Best Value Performance Plan, carrying out a rolling programme of service reviews and subjection to Best Value audit and inspection. However, the Government has recognised that the duties of Best Value would not be cost effective for smaller parish councils, but it has encouraged such councils to adopt the Spirit of Best Value. In order to secure continuous improvement Best Value requires parish councils to look at their function in terms of the '5 Cs'. These are: -

<u>Challenge</u> - why, how, and by whom a service is being provided <u>Compare</u> performance with the performance of other parish councils and organisations providing similar services

<u>Consult</u> local people and key partners, including local businesses and voluntary organisations in setting council priorities

Use fair and open <u>Competition</u> wherever practicable as a means of securing efficient and effective services.

<u>Collaborate</u> with other authorities and public service providers, particularly in developing, delivering, monitoring and improving services.

Carn Brea Parish Council believe that the principle of the council examining the services that they provide is a sound one, which should provide value for money for the taxpayer. They have therefore published this report reviewing the services that they have provided and hope that the publication of this report will lead to a better understanding of what the Parish Council does and how it spends the ratepayer's money. A copy of the report is available from the Parish office.

Council Owned Property

Wheal Fortune Park

Regrettably all of the granite benches and picnic sets have had to be removed from Wheal Fortune Park due to vandalism. Trees and flower beds have also been destroyed.

Treloweth Community Hall and Open Space

Sadly, the additional granite benches and picnic sets that had been installed in the open space at Treloweth Hall were vandalised and are now being repaired. It is hoped that benches and picnic sets will soon be back in place to allow local residents the opportunity to enjoy the open space.

Treloweth Community Hall is used most evenings for classes and activities including belly dancing, slimming and spiritual meetings. The hall also contains a collection of old photographs and prints of the parish.

To book the Treloweth Community Hall please contact – Mr. S. Wherry on 01209 212377

Bus Shelters

A new bus shelter has been erected outside Taylor's Tyre Service in Barncoose and a grant application has been made to erect a shelter at Pencoys in Four Lanes in the next financial year.

Grant Aid

The Council has a policy to encourage a community spirit in the Parish. This year a total of £3400 was granted to various organisations through grants and donations to help the local community.
