CARN BREA PARISH NEIGHBOURHOOD PLAN QUESTIONNAIRE

WE WANT TO KNOW WHAT YOU THINK!

A Neighbourhood Development Plan is a document that planners will use alongside the Cornwall Council Local Plan about any planning applications in our area. The document could help set out styles of new homes, parking, land use and looking after our environment.

Carn Brea Parish Neighbourhood Plan Steering Group are in the early stages of writing our Neighbourhood Development Plan document. The Steering Group is made up of 15 volunteers from the parish, and includes three Carn Brea Parish Councillors.

*This questionnaire is your chance to have your say about what is important to you. It will help us to set the rules for planners, based on what you think. **So the more of you that take part, the better!***

The answers are completely anonymous. The only piece of personal information we will ask for is your postcode, so we can understand what is important in your local area.

Every home in the parish is receiving a copy of this questionnaire, and we've also asked local schools to help children answer some questions in their lessons.

We've delivered one paper copy to your home, but if more than one person in your home wants to take part, you can ask for more paper copies. Or you can access the online version here:

www.surveymonkey.co.uk/r/cbpneighbourhoodplan

You can request extra paper copies by contacting Angela Blakeway on 07811 849 525 or emailing a.blakeway2018@gmail.com

If you have any questions about this survey, Angela can help.
