*Dogs saving lives*

# Do something great with your **2023!**

**Spring will one  
day save lives  
using his amazing  
sense of smell.**

**You could be part  
of the team that  
helps him reach  
his goal.**

Medical Detection Dogs is looking for volunteers and we'd love to hear from you.

Volunteers are essential to our work doing vital jobs like fundraising, speaking to community groups and helping at events.

Don't worry if you're not an expert, we will provide all the training you need and will be ably assisted by canine helpers!

**For more information on volunteering opportunities please
