# Your next step

Are you ready for the next step of your  
journey?

---

Whether you are a Coastline customer or not,  
Coastline can support you in lots of different of  
ways, depending on your goals.

## Who are you?

Aged over 16  
Unemployed  
Live in Cornwall  
Able to live and work in the UK

## Who are we?

Laura, Ross and Steve work with Coastline customers  
and community members to find out about their work  
and training goals, and support them to make the  
changes they want to see.

## How do we work?

We meet people in their communities, or at Coastline  
venues, to make an action plan. We then work together  
to help you reach your goals.

## Support we can offer:

We may be able to provide you support with transport,  
childcare, IT equipment, or personal protective  
equipment that you might need.

Your mentor  
will work with  
you and  
support you on  
your journey.

If you would like to chat to one of the team about the opportunities that are available,  
please email [backtowork@coastlinehousing.co.uk](mailto:backtowork@coastlinehousing.co.uk) or phone [01209 200200](tel:01209200200) and ask for  
the Building Futures Navigators - Laura, Ross and Steve.

# What's on offer...

**We can work with you to look at your short, medium, or long term plans linked to training and work.**

**We realise that to succeed at work, you need to feel confident and secure in your home life, so we can put you in touch with our partner agencies, who can support you with any concerns you might have about your benefits, budgeting, health and wellbeing, and much more.**

### **CV writing and job searches:**

Work with your mentor to focus on your existing skills, and look for jobs that interest you.

Training:

Face-to-face or online training is available in a wide range of subjects, such as:

- First Aid
- Health & safety
- Food hygiene
- CSCS card (Construction Skills Certification Scheme)

### **Work placements:**

Join one of Coastline's teams for a 2 - 8 week placement. Gain on the job experience, new skills, and increased confidence. Finish with a reference, onward support into work, and great memories!

We have placements in:

- The Homeless Service, housing services and other teams based at Coastline House, various trades, including repairs and maintenance, painting and decorating, and cleaning.

### **Coastline Construct:**

Would you like to work in construction? If so, we can support you to gain your CSCS card and have a 2 week work experience placement on a live Coastline building site, in partnership with Mi-space. You can learn the basics of labouring, to joining specific trade teams. Whether it's a new path for you or a return to the work place, we can support you with your next step.

### **Volunteering:**

This is a great way to gain new skills, meet new people, and feel connected in your community. Volunteering gives people the chance to see what areas interest them most, and can lead to work opportunities. Volunteers tell us that they feel a real sense of reward for the time that they donate. We advertise voluntary roles at Coastline, and can create voluntary positions based on your talents or skills.
