Keeping your garden secure

As the clocks change and the weather hopefully warms up, many of us are looking forward to spending more time in our gardens. Now is a good time to think about

shed security and how you can keep your belongings safe. Protecting your garden and outbuildings not only keeps your valuables safe but can also stop burglars accessing tools to get break into your home.

Prevention

- 1) Keep hedges and walls at the front of your house low (under one metre) so burglars have nowhere to hide.
- 2) Lock side gates at all times
- 3) Consider spiky, defensive planting and keep hedges, walls and fences around your back garden high (over 1.8 metres).
- 4) Gravel driveways and paths make it harder for burglars to go undetected, due to the noise caused when someone walks on them.
- 5) Install an outside security light so intruders cannot approach without being seen and consider fitting a burglar alarm system.

Spring travel advice

The upcoming Easter holidays, May half term, and two Bank Holiday weekends will bring extra visitors to Devon & Cornwall. This means there may be extra traffic on the roads and potential hold ups across our beautiful counties. The force will be doing its best to police Bank Holiday hotspots and make sure motorists have a smooth journey on their way to the beaches.

Top tips to help with your drive include:

- Checking over your vehicle (e.g. checking tyre pressures and making sure you have enough fuel, oil and water.
- Choosing quieter times on the roads if possible and checking forecasts so you are aware of adverse weather which may hamper your journey.
- Be prepared in case you do break down – have refreshments and appropriate clothing in your vehicle and keep your mobile phone charged.
- Never leave children or dogs in a vehicle in warm weather. Even if you're only gone for a couple of minutes and leave a window open, the rising temperature within a vehicle can lead to serious, or fatal consequences.
- Be patient and considerate to other drivers, and remember it is always best to allow extra time.
- If you are towing a caravan please make sure you know the rules...

Girlguiding Police Challenge Badge

Did you know Devon & Cornwall Police now offer a Girlguiding Police Challenge Badge? The challenge badge aims to teach Brownies and Rainbows what the police do nationally, and in their communities, and provides information about careers in the police and personal safety.

Property marking

With the weather brightening up and more opportunities for you to use bikes and other high value equipment, consider marking your property and recording your items on

<https://www.immobilise.com/>. Remember, you can mark electrical items, bikes, and items such as antiques. If you'd like help marking your property, please contact your local station.

Considering livestock when dog walking

When walking through our beautiful countryside with your dog, please be cautious of livestock, especially now that lambing season is underway. Make sure your dog is on a lead at all times.

Livestock worrying is a crime and can cause devastating consequences for livestock and farmers. If you witness a dog acting out of control or attacking livestock, please phone 999 to report it.

Protect yourself from rogue traders

Now the warmer weather is approaching, you may consider improvements to your house and garden. Be cautious of rogue traders who may knock on your door and offer to do work to your home or garden. Things to look out for include:

- Being offered a very cheap price
- Being rushed into making a decision

Remember to ask for identification and understand the terms and conditions of the work. If you notice anything suspicious, report your concerns to 101 or call 999 if you feel like you are in danger.

Local News

Community engagement

On Monday 19th February 2024, PCSO's John Salmon and Linzi Johnstone visited Camborne Nursery as the children were learning about 'people who help us'. The children had a look at the police car, had a chance to have a look at a real police radio and learned how to tell if someone not in uniform is a member of the police service by looking at the PCSO's ID cards.

Anti-social behaviour patrols

Patrols are continuing in Camborne town centre to tackle issues of anti-social behaviour (ASB). The neighbourhood team have also worked in partnership with Cornwall Council's ASB team and have issued Community Protection Warnings to those persistent offenders who have been having a detrimental impact on the local community.

Community meetings

The Pool neighbourhood team continue to hold business meetings once a month to address issues and concerns. Positive action has been taken following information received in these meetings, which includes the seizure of a large amount of stolen items from local businesses.

Local Issues – Update

Premises closure orders

In conjunction with the ASB team, we have secured two premises closure orders on two properties within Camborne. Both properties were connected with drugs and anti-social behaviour and causing distress to the community.

Full closure orders mean no one will be able to enter the properties for a designated period of time without risking a fine, imprisonment or both.

Anti-social behaviour

We have increased our hotspot patrols in the town centre. This has resulted in positive action being taken against several individuals who openly drink alcohol whilst behaving in an anti-social manner. Please continue to report issues so we can focus our patrols on the right times and location.

We are working with the street wardens in both Camborne and Redruth who are funded from the Home Office through Safer Streets. They are conducting regular patrols in both towns. Positive feedback is being received from the community and business owners.

We have also worked with the community protection team and assisted them in seizing a vehicle used in relation to fly tipping offences. This offence has a really negative impact on our local areas and is costly to clean up.

Dangerous drug networks

We are committed to tackling dangerous drugs networks and in the last two months, several plain clothes operations have taken place. This has resulted in three arrests and two people are wanted on warrant. This work will continue within the area.
