

Scything Training

Thank you for expressing an interest in the free scything training being offered to residents of the Mining Villages.

Places are limited and to be considered please can you complete this application form and return it to sam@harmonypermaculture.co.uk

The date of the training will be confirmed nearer the time and is dependant on the weather(!) and growth of the grass at The Pound in Carharrack. You will be required to wear appropriate clothing and footwear and the training will be completed in one day. There will be plenty of Health and Safety to learn.

Water and drinks will be provided (and most likely some cake), but you will need to bring a packed lunch.
