Health Works for Cornwall

Supporting you on your journey towards your NHS career

If you're currently unemployed with a health-related barrier to employment (this can be any barrier) and are interested in starting an NHS career, we can provide you with skills, 121 support, and a stepping stone into employment. We will be able to support any NHS career interest, from Health Care Assistants to Administrators, Porters to Support Services.

Whatever you're interested in, get in touch today.

The NHS have over 350 different careers.

Where will your journey start?
