D-Day 80 Commemoration Event

On the 6th June 2024 with the support of The Countryman Inn, Piece, Carn Brea Parish Council held a commemorative event to mark the 80th Anniversary of the D-Day Landings and joined the rest of the country at 9:15pm by reading the

International Tribute along with the lighting of the Beacon. The event raised a fantastic £525.00 which has been evenly split between the five official charities. A huge thanks to Nick Lake and his team at The Countryman Inn and to everyone who attended and supported the event!

Treloweth Community Hall War Memorial Wall and Garden

The garden surrounding the memorial is having a refresh and so far has had the old hedge removed, the wall repainted, the addition of some simple low planting including poppies to brighten the garden area and a pair of 'Remember the Fallen' statues secured to the wall.

To enhance the area further, the Council would like to invite any local artists to design a Remembrance Themed Mural which could be painted on part of the wall.

If you would like to submit a design for review please contact the office via telephone or email.

Telephone: 01209 313014

Email: enquiries@cornbreaparcouncil.gov.uk

Please submit your designs by 28th February 2025.

Hanging Baskets

This year the Council have worked again with Warnes Plants to provide hanging baskets across the Parish for everyone to enjoy. After agreeing suitable locations with Cornwall Council, we have also provided 40 additional baskets in various new locations.

Carn Brea Parish Neighbourhood Development Plan

On 1st August 2024 the result of a Public Referendum approved the Carn Brea Parish Neighbourhood Development Plan (NDP) with 88% of the votes cast in favour of the Plan.

Thank you to everyone who took part in the vote. The NDP has taken several years of incredibly hard work to create. The NDP Working Group, made up of local residents and Carn Brea Parish Councillors, were guided through a minefield of red

tape by planning consultant Steve Besford-Foster.

The process of building the plan has involved a great deal of public consultation, including Open Sessions held in Four Lanes, Carnkie, Carn Brea Village and in Pool, with leaflet drops by Royal Mail on several occasions and hundreds of letters to community groups, local businesses, churches, schools, and public utilities.

Thank you to every single one of you who attended an Open Session or sent us your thoughts or views. All of these contributions have helped to shape the Plan and we really appreciate your submissions.

Our Plan now gives us, as the Parish Council, a bigger say in how new building development, or conversions of old stock, should happen in Carn Brea Parish. We can use the Policies set out in the Plan to inform decisions on planning applications within the Parish.

The Plan sets out our approach to housing, business and jobs, the natural environment and our landscape, the built environment and our heritage, access and connectivity, open green spaces and recreation, community facilities and finally climate change.

You can see the Plan on our website and there is a paper copy available to read in our offices. If you have a question about the Plan please feel free to email or call us.

Perhaps the biggest round of applause should go to the NDP Working Group itself who beavered away for the last three years, week after week, slowly making progress in building the Plan, seeing it pass several clinical inspections and then receive approval at the Public Referendum.

The Working Group were led by Chairman Cllr. Malcolm Moyle, Vice Chairman Mr Peter Lee, Mr Warwick Addison, Cllrs Elly Glanville, Chris Jordan and Bob Drew, supported by our Clerk, Andrew Moyle-Browning and Assistant Clerk, Sarah-Jane Noakes. Our Consultant Steve Besford-Foster kept us on the straight and narrow.

The whole point of all of this is so that we can, and will, improve the Planning process in Carn Brea Parish which must be a good deal for the people of the Parish.

A Big Thank you to Everyone

Mobile Speed Indicator Sign

The Speed Indicator Sign has been in place now for 8 months and you may have seen it on your travels across the Parish.

Since the last newsletter, it has been located in Piece – Loscombe Road, Pool – Church Road, Moorfield Road and Four Lanes – Loscombe Road. The speed limits within these areas are 20mph or 30mph.

The maximum speeds recorded at these locations range from 42mph to 85mph.

All the data collected (which measures both incoming and outgoing vehicle speeds) is shared with Cornwall Council Highways and Devon and Cornwall Police Roads Policing Unit. The Council have asked to be updated on any action that will be taken with regards the excessive speeds that have been captured within the data.

Speed Indicator Sign Location Schedule 2024/2025

<u>Location</u>	<u>Dates</u>
Four Lanes B3297 (Roskrow Close)	02/09/24 - 30/09/24
Carnkie	30/09/24 - 28/10/24
Higher Broad Lane	28/10/24 - 25/11/24
Four Lanes B3297 (Chapel Row)	25/11/24 - 06/01/25
Piece	06/01/25 - 03/02/25
Pool (Church Road)	03/02/25 - 03/03/25
Four Lanes (Loscombe Road)	03/03/25 - 31/03/25
Pool (Moorfield Road)	31/03/25 - 28/04/25

The sign is relocated every 4 weeks in line with the guidance provided that suggests that if the unit is in one place for extended periods, this can reduce the impact.

Looking Ahead

The Council are excited to announce that following several public consultations the installation of a 'New' Play Park at Wheal Fortune Park will begin in September with expected completion in late October. Whilst the works are being carried out, the Council is working hard to minimise any disruption to park users, though for safety reasons there may be times during the works that the park will not be accessible.
