

## Carn Brea's Neighbourhood Plan BE A PART OF IT!

Your Parish Council have decided to create a **Neighbourhood Development Plan** to cover the whole parish and we want to hear your thoughts and ideas about what should be in it.

### But what is a Neighbourhood Plan?

A Neighbourhood Plan **MUST** by law reflect local people's views of how they wish their area to develop. You have an opportunity to say where homes might be built and to draw up policies on how to protect the local environment and heritage. Also to try and ensure there are the school places, transport infrastructure and community services needed for the area. The plan links up to the Cornwall Local Plan which sets out planning and growth policies for the whole county until 2030. When completed our Plan will become important in future planning decisions.

### Our Plan is specifically for Carn Brea Parish Council – so what can you do?

In this Newsletter is a **QUESTIONNAIRE** from us, looking for your views. The answers we get from you will help us give structure to the Plan. The Questionnaire is simple and quite basic. A more detailed questionnaire will be sent out in the future, to get more information. We will also be holding Public Meetings in the New Year and asking for volunteers to work with us and help us to produce the Plan.

### PLEASE FILL IN THE QUESTIONNAIRE IN THIS NEWSLETTER AND RETURN IT BY 31ST DECEMBER 2017

There are several local drop-off points where you can leave them and details are at the very end of the questionnaire.

If you have any questions about the Plan, please contact us on:  
**01209 313014 or carnbreapc@btconnect.com**

# CHAIRMAN'S UPDATES

## Tanya Dovey.

It is with great sadness that we learned of the recent death of Tanya Dovey, a resident of Appin Gardens. Tanya was an unsung community leader, who spent hours of her time creating a very special quiet garden for her neighbours to enjoy. She was a very special person. We shall all miss her and we send our condolences to her family and her friends.

## Neighbourhood Plan.

Our Newsletter highlights the Council's drive to produce a Neighbourhood Plan for our Parish. Please read the article and help us to get the very best for our area. Please complete the questionnaire and return it to us. Thank you!

## Bus Shelters.

Working with our colleagues at Cornwall Council we can report that new bus shelters are about to

be installed in Trevenson Road opposite Cornwall College, and also immediately outside Camborne & Redruth Hospital. The shelters have been our ambition for some time and success is sweet. Thank-you Cornwall Council.

## Boundary Review.

The Boundary Review of Cornwall has announced that Cornwall Council will reduce from 123 to 87 councillors for elections in 2021. This could well affect this area's representation. The draft plans showing the proposed new divisions

are available to view on Cornwall Council's website and comments are invited.

## New staff member.

We are pleased to announce we now have a new Head Handyman, leading our team of experienced workmen, looking after our parks, street furniture, and buildings. Welcome, Chris!

Everyone at Carn Brea Parish Council wishes all our residents, and visitors, a Very Happy Christmas and a Prosperous New Year!

Cllr Bob Drew.

## PHONE BOX AT PIECE

Carn Brea Parish Council has taken over the responsibility of the empty telephone kiosk at Piece from BT. It has been fitted with shelves and Trail leaflets and the Parish Council would like to use the kiosk as a miniature library. We are now looking for donations of books to fill the shelves so if you are spring cleaning your bookshelves please bring any unwanted books to the Council Office at Treloweth Community Hall.

## REPORT FROM Cllr Robert Hendry

*Robert Hendry –  
Cornwall  
Councillor  
Four Lanes  
Division*

Firstly, I would like to thank all of you, living in the Four Lanes Division, for your fantastic support to elect me as your new councillor in May. As your Independent councillor I aim to represent all of our community; to keep in regular contact and be easily accessible throughout the year. Already I am holding informal surgeries around the Division; to give local residents a chance to highlight their concerns and issues.

As a member of the Planning Panel (west) we are having training sessions every month to cover various issues surrounding planning, which I have quickly discovered is a

minefield! I am also the Vice-Chair of the Audit Committee. As a committee we are also having training sessions to understand the complexities of the Cornwall Council accounts, which included being presented with the accounts of 2016/17, running into over 170 pages.

I work very closely with the Parish Council, especially with planning applications, and the ongoing Neighbourhood Plan. I am kept busy with individual residents concerns on a daily basis, and formulating action plans for the problems of speeding traffic in Carnkie, Piece and Four Lanes.

As a "newbie" I am finding it all very interesting, learning a lot, and at times very challenging. I hope to serve you all with the best of my ability.

## RECYCLING

A recent Cornwall Council survey shows that Camborne Pool and Redruth are only recycling 18% of our recyclable waste.

Cornwall Cllr Sue James portfolio holder for environment and public protection says a social media campaign is beginning in

order to raise awareness of what happens to our waste and the impact it has on the environment and of the cost to Cornwall Council.

It costs £185 a tonne to collect rubbish but only £110 to collect recycling. If everyone recycled Cornwall Council would save £2,706,000 a year!
