

CARN BREA PARISH COUNCIL NEWSLETTER

WINTER 2019

A warm welcome from our new Chair

There has been a very busy start to my time as the new Chair of Carn Brea Parish Council. I'm looking forward to working on a series of projects that will benefit our Parish such as the climate emergency group. I'm working hard on the Planning Committee to keep our gorgeous Cornish countryside as green as possible and I am looking forward to seeing some great results from our Neighbourhood Development Plan (NDP) group in the near future. I would like to thank those parishioners who took part in the questionnaires on the NDP to help shape the future of our Parish.

Gardening competition 2019

This year's gardening competition was very exciting and it was so lovely to meet lots of the people who took part at the awards presentation evening. I'm looking forward to adding some new exciting classes in the next gardening competition for 2020 that will include the primary and senior schools in our parish. We welcome any suggestions for this!

Remembrance Service

This year's remembrance service took place in challenging weather conditions. A huge thank you to those who braved the cold and rain. There was a great turn out of the public and servicemen and it was lovely to see everyone on this important occasion. I was honoured to read a short poem and a special 'Thank You' must go to the brownies who read the names of those who have lost their lives whilst serving their country.

Moving forward and getting involved!

I look forward to meeting more of you in the future and please take a look at our website to see what is happening in your area and maybe come along to some of the meetings as we welcome contributions from the public.

A REVIEW OF OUR NEWSLETTER DELIVERY – WE NEED YOUR HELP!

It has been brought to our attention that some properties are being delivered more than one Newsletter. This is wasteful and we are endeavouring to bring this to an end. There are 3 different ways a Newsletter can be delivered, and it appears there is some overlap. We have been cross referencing lists, but please get in touch with us and let us know if this is a problem that is affecting you and what your address is. It won't be solved straight away, but with your help we can reduce waste and save money. Thank you to those who have raised the issue.

Visit the Carn Brea Parish Council website for information on our Council meetings and events, to browse previous copies of this newsletter and to look at the Carn Brea Parish Book of Remembrance.

Carn Brea Parish Gardening Contest is Flourishing!

This year's gardening competition saw new categories, contributions from Pool Academy and a great turn out at the Awards Presentation evening. **Well done and a huge thank you** to all who took part. We look forward to developing this competition further and getting more people involved – especially schools and young people.

Please enjoy the images below from a selection of winning entries!

Sunflowers from Pool Academy

Graham Croydon – 2nd place Small Garden

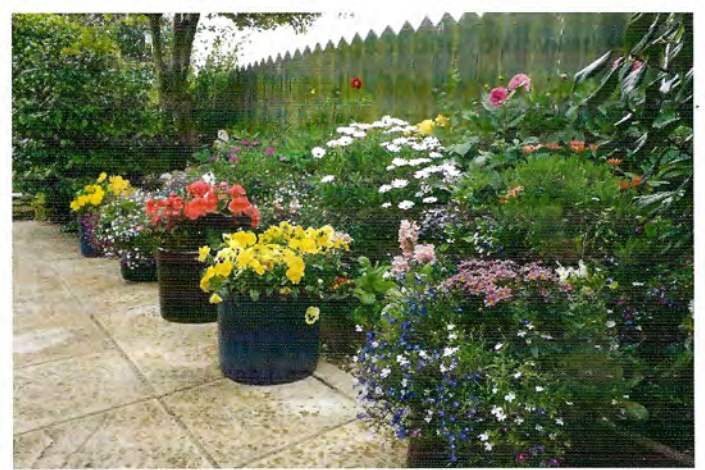

Trevor Dungey – 2nd place Large Garden

Four Lanes Garden Club – 1st place Community Display

Irene Buckingham – 1st place Medium Garden

Lillian Moyle – 2nd place Medium Garden

Report from Cornwall Councillor Philip Desmonde

Over the last year, as the Cornwall Councillor for Pool and Tehidy, I have been campaigning to improve the quality of life in Pool and to support job creation and opportunities. Here are some of the projects I have been working on and will continue to work on in 2020.

South Crofty Mine: I persuaded Cornwall Council to invest £1m into the historic South Crofty Mine and secure tens of millions of pounds of investment in the Mine over the coming years with high skilled jobs and apprenticeship schemes. This will create huge opportunities for our area and deserves all of our

support.

Life Jackets for Cornish Fishermen from Pool: I persuaded Cornwall Council to stop the madness of buying lifejackets for our Cornish fishermen all the way from Liverpool. They are now provided by LGS at Agar Road, Pool, just behind Lidl. Their life saving high-quality Mullion Lifejackets are available to Cornish Fishermen "on their doorstep". A great result for securing local high skilled jobs, cutting the carbon footprint and promoting the "Made in Cornwall" brand.

Carn Brea Station: This station was opened in 1843 and closed in 1961, and although there has been support for the idea of opening it for some years, there has been little action. I am pleased to report that a plan to re-open the former Carn Brea station, close to the Carn Brea Leisure Centre, with a park and ride is now a Project that will be developed next year by Cornwall Council.

Anti-Social Behaviour: Sadly, this has been on the rise and I have been working to reduce the problem in some areas. However, I want to see the occasional presence of a Bobby in our neighbourhoods. This deterrence works! I welcome the Government's recent announcement of more Police.

Healthcare: Pool Surgery and increasingly, our elderly care needs are overwhelmed. I am working to deliver a new Health Care Centre in Heartlands and this Project has been agreed in principle.

Climate Change Emergency: This is an issue which is very close to my heart. I am campaigning to remove speed bumps; plant more trees; use local people skills and businesses first; making Cornwall Council enforce tree and Cornish hedge protections.

If you have any local concerns you would like me to be aware of, please do get in touch.

Can you help families in CPR?

The CPR Foodbank is doing a wonderful job supporting families on low incomes. Sadly, more and more families are using these facilities and we are so grateful for the work they do. They are particularly in need of the following items: **Longlife milk, tinned fish, peas, carrots, potatoes, rice pudding and custard.**

Donations can be dropped off at: **Centenary Methodist Church Camborne any morning except Wednesday.**
