To receive an update from the consultant, Stephen Beresford-Foster.

Steve Besford-Foster explained the work covered at previous meetings. Last week, the 23rd, the focus was on design. Steve provided the group with a handout for Proposed Cornish Distinctiveness Text to add to the Carn Brea NDP for their information and review. Proposal to drop text into the Heritage Plan.

As agreed at the previous meeting, Steve Besford-Foster had liaised with Go Collaborate to produce a further Regulation 14 document excluding the data captured from those outside the Parish - this report focused purely on residents of the Parish only. Q2 was not included, and this is to be followed up on and provided to the group.

The report shows strong support in general for the plan.

Also provided was an additional Policy Response document following responses from consultees for Access & Connectivity. Proposed to go through the document and combine Agenda Items 4, 5 and 6.

In summary, further work to be completed and the Draft Submission Plan to be approved ahead of submission to Cornwall Council. CBPC to approve the plan for submission at Full Council once complete – Propose end of March 2023.
