

Cllr Dale spoke on setting up a working party to draw up the specifications and this was considered as an option. Cllr Moyle expressed concerns over the necessity and cost of any proposed footpath installations.

Cllr Drew reminded the meeting that the Full Council had approved a list of improvements, which included the provision of a footpath around the park, however no scheduled time frame had been agreed.

The Clerk proposed that he draw up a draft specification document for Moorfield Road Open Space Improvements for the committee to review ahead of making recommendations to Full Council as part of the Tender Process.

**The meeting agreed that the Clerk draw up a full specification for the improvement works at Moorfield Road Open Space for the Open Spaces Improvement Committee to review at the next meeting.**

**Resolved: that the report by the Clerk on Moorfield Road Open Space be noted.**

**Proposed:** Cllr. S. Dale **Seconded:** Cllr. M. Moyle

**24/01/OSI/11 To receive a report on disability access following an assessment at Moorfield Road Open Space and Wheal Fortune Park and make appropriate recommendations.**

The report and feedback were circulated ahead of the meeting.

*Cllr Jodan left and returned during discussions.*

**Resolved to Recommend:**

**That the proposed improvements to the entrances at Moorfield Road Open Space following the assessment with Disability Cornwall are included in the tender specification for improvement works at Moorfield Road Open Space.**

**Proposed:** Cllr. R. Drew **Seconded:** Cllr. M. Moyle

**The meeting agreed that the Clerk prepare a report to include any relevant considerations, for review by the Open Spaces Improvements Committee for the removal / adjustment of the existing entrance gates at Wheal Fortune Park with a view to replace these with an alternative accessible entrance with associated path re-surfacing works and report back to a future meeting.**

Cllr Dale expressed concerns that any alterations could result in unwanted access to the park, and this should be considered in any proposals.

**24/01/OSI/12 To receive an update on the Tree Planting project on Moorfield Road Open Space planned for the 26th & 27th February 2024 and make appropriate recommendations.**

The Clerk provided a verbal report on the tree planting.

**Meeting closed at 8.16pm**
